

# “Turn \$400 Into \$1,000 Or MORE Over And Over Again... Absolutely Guaranteed”

Let us show you exactly how to receive stacks of envelopes filled with \$200.00 checks and money orders all made payable to your name or company. This is *NOT* a pyramid scheme or illegal gifting. There is *NO* cold calling, selling or recruiting required to make \$200.00 a sale.

*"I'm Charles Whitmore, dealer for American Wealth Systems new opportunity called Profit Masters. I became a dealer for Profit Masters back in March, 2008 and have been satisfied ever since! I tried many Programs and without fail was lied to and ripped off every time! I am proud to say that I never gave up, and because of my will power, I finally came across a Program that made me a tiny bit skeptical at first. After speaking with a customer service agent I realized that A.W.S. is a proven, legal and ethical system where there's little effort on my behalf."*

*"As soon as I became an official independent dealer for Profit Masters the company mailed my first 500 letters. I was astonished when I received 8 orders totaling \$1,600 in commissions only few weeks later. "What did I do you ask", I immediately called A.W.S. on their toll-free customer service line and ordered a DOUBLE ENTRY. With a double entry I had 1,000 more letters mailed and received another 13 orders within a few weeks! That's 21 orders from 1,500 mailings earning me \$5,200 including double-entries. I believe that Profit Masters can work for you just as well as it is for me. I am also receiving residual \$200 and \$400 commissions now."*
