Ken's Personal In-House List

Unlike most mailers who can't find enough quality names to mail their offers to, I have access of 1,000's of fresh, high-quality names every day! My problem used to be deciding which names to use. During the last 6 months, I've developed a computer program that extracts only the very best prospects from the 1,000's of new names we key in every day! It works! It really does! I make sale after sale to these special names my computer selects for me and now - for the first time, you can rent and profit from these names too! With a good offer, well printed sales literature and this list, you can't go wrong!

Canadian Opportunity Seekers

Because Canada is a "foreign country" and it costs a few cents more for postage, many US mailers are reluctant to mail to Canada. Our tests show Canadians are just as eager to take advantage of an "Extra Income Opportunity" as we are. So, if you're mailing a "hot, new" program, or even one of the older and better-established opportunities that has worked for you in the past, this is your chance to spread the good news and add some extra \$\$\$\$ to your bottomline.
