

AMAZING \$50 LOAN

\$50 Dollar Money Orders To You - DAILY

WOW

AMAZING \$50 LOAN

Follow what to do and in two (2) weeks you'll have at least \$18,000 because most people will respond due to the low investment and high profit potential.

Just loan one (1) person \$50 dollars (\$50.00). That's all! Don't worry about finance charges or repaying the money. After the first time you'll see how easy it is and that it does work!

Now, let us tell you the simple details. On a blank sheet of paper write your name and address and a note saying, "here is your \$50.00 loan" and wrap it around a \$50.00 bill. Send it to the first name on the list.

REMEMBER, ONLY THE FIRST NAME ON THE LIST GETS YOUR \$50.00 LOAN!

Then remove the person's name from the list and move the other name up one position. Add your name and address to the list (in second position).

After you have re-typed the names in the new order with your name in the second position, make fifty (50) copies of this letter and send them on to fifty prospects immediately.

That's all there is to it! When your name reaches the first position in about a week (or less) it will be your turn to receive the loans! They will be sent to you approximately two thousand (2000) people like yourself who are willing to invest \$50.00 to receive \$25,000.00. Because there are only two (2) names on the list you can anticipate your loans coming to you incredibly fast (a lot faster than similar programs with 4, 5, or 6 names on the list).

So whenever you are short of cash, just take out your little \$25,000 loan program and mail it to fifty (50) prospects. (Imagine the return if you mailed 100.)
