

COWBOY BUCKS USA

Hi Gang,

Wow! Do not delete this. Just take a moment and read it and think for a moment how truly easy and powerful this can be. We all have received these types of letters in the past, but this one is truly different because it is very easy and you are using the power of the internet. You will not have to deal with postage, copy and typing letters, mailing letters or buying lead lists. This one is simple and can be easily duplicated and powerful, based upon the financial principle of leveraging.

This program was started with PayPal a short time ago and was working beautifully when PayPal decided that this was a violation of their policies, so they suspended it. We were all doing so well that we decided to continue it with one variation.....No PayPal.

Follow the steps because this system works well and it works very fast.

This is legal in all facets because you are simply exercising your right to give a gift to another person. You are giving a gift. "Give and it Shall Be Given Unto You".

You are only going to spend about 15 minutes of your time and you are only giving a one time gift of \$10 to two people. That's it.

\$20 in total with a potential return of \$1,000s of dollars in cash.

Here are the simple instructions.

Send your email address to HolmesAssoc222@aol.com .

Complete details will be forwarded to you.

You will be impressed by the unique power and simplicity of this program.

NEW!

WHAT EVER ELSE YOU ARE WORKING, YOU MUST HAVE THIS TO GO WITH IT!
RICHARD HOLMES 279T4

**JUST INCLUDE ONE OF THESE FLYERS WITH EVERY-
THING ELSE YOU ARE MAILING! ONLY A
ONE TIME FEE OF \$20 TO JOIN! PLUS
A \$500 GIFT CERTIFICATE FOR FREE
MERCHANDISE and A FREE bonus program!**

**WE HAVE A PLAN DESIGNED TO MAKE YOU
INDEPENDENTLY WEALTHY IN TWO YEARS- or
less-AND IT REQUIRES ALMOST NO WORK AND
IT'S DIRT CHEAP (Plus a free bonus program!)**

It's a never ending pay circle, where you get paid every
fifth level, forever, with no additional fees to pay, no later

levels to advance to, and no matrix to fill. Everyone who joins after you, goes under you to create a single line pay line that goes around and around! Every time you advance around the WEALTH STAR, you get paid. You never start over, you just keep going round, and each time, and your pay line will grow by leaps and bounds! There is no limit to the number of times you can go around and earn. When we receive your \$20 fee, we will send you a personalized flyer just like this one, with your name in the middle of the STAR to copy and mail. (This program is designed as a piggy-back" to go along with anything else you are mailing. Just include a flyer with all your outgoing mail.) Each time you refer someone, you will receive a post card with their name and address so you always know how well you are doing. Your new recruits will receive their flyer with their name in the middle, and your name will move to the #1 position of the WEALTH STAR. As new groups join, your name will advance till you reach the top, and now you will earn \$1 from every flyer that comes in with your name at # 5 . Then, instead of having to start over, or pay another fee and advance to another level, you simply go round again, automatically, to eventually get paid again. It's like getting paid ever fifth person from now on.

DO NOT UNDER ESTIMATE WHAT THIS CAN PAY or HOW EASY IT CAN BE!

Here is an example and, to keep it simple, let's say you find only three others, they find three others thru all 5 levels. The first time around, you would collect \$243, or \$1 from each person on your fifth level. Not much, but remember, you only paid \$20 to join. Next time around, based on our example of 3, you would collect \$1 18,098, or \$2 for each 10th level member! The third time around, well, your calculator will not go that high, because this time you earn \$3 from each member. See how it works! Take the same example with five referrals all the way around, and the first time around you would collect \$3125. The second time would pay millions! And don't even try to calculate a number on the third time around. See, it's that simple. And you do absolutely nothing but get your first few referrals. Do the work once and earn forever! Plus you are entered into our IN-HOUSE Bonus program absolutely Free of charge. This bonus offer can pay as much as than The Star! (And you don't have to work the bonus offer!)

What ever you are promoting now, keep on doing it! Don't stop! Just piggy-back this flyer with your current offer and let this work itself! If you are serious about making money, this is it! Don't wait, join now. Only a one time fee of \$20 to join, so it's very low risk and will appeal to almost everyone. We pay every Monday for the previous week. You pay cash to join and you get paid in cash!

This could be your ticket to financial freedom. It's alright to start small but the more people you put on your first level, the larger your earning potential. (Why not gift a few friends in?) And when you join, you will receive a free merchandise certificate valued at \$500. Shop on line and just pay S&H for your items. (Plus a BONUS program!)
