NEW "AUTO MAGIC" MARKETING SYSTEM

Introducing: A real innovation in Money Making Programs: An inexpensive, simple, NO work on your part, true opportunity to make money. Anybody Can Do It! We're introducing to you exactly what you've been waiting for....

In a "nutshell", Our NEW Copyrighted "Auto Magic Marketing System" can make **YOU BIG MAJOR BUX!** This is the original "Magic Mailer Envelope." We are able to bring to you the most fantastic, unbelievable, simple, cost effective, opportunity you will ever see before your eyes! All you do is order a minimum amount of 250 of the "Magic Mailer Envelopes," have them shipped to us and if you want, **YOU DO NOTHING ELSE** except sit back, have a drink and collect commission checks when we make orders! **THAT IS IT!** There are **NO** extra costs. There is **NO** hidden work. You order the envelopes and we will mail them for you **FREE** & handle all the inquiries, follow ups, and orders on your behalf to build a solid and profitable organization for you at **NO ADDITIONAL COST!!**

Is your current opportunity costing you less than \$50 a month for the product **AND** for the promotion? We Doubt It!! With most programs, you have to spend at least \$50 to \$100 for the product, then you have to go & promote it and since one mailing of a thousand pieces costs \$410 in postage alone, we doubt any opportunity can match the **EXPLOSIVE POTENTIAL** we are talking about here!

Go ahead - compare this with **ANYTHING** else out there. You'll not find a better "hands off" Money Making Opportunity on the planet! We know. We've seen them all & that's why we promote this one!

HERE'S THE PLAN:

Currently - you are in some program or wish to be in some program if you can find the right one? Correct? This means you **SPEND** money to buy envelopes. You **SPEND** money to get prospects. You **SPEND** money for postage - **OUCH!** You **SPEND** money to have literature printed. You **SPEND** lots of time and effort putting together the mailing packages to send out. You **SPEND**, You **SPEND**, You keep **SPENDING!** Even if you are promoting on the Internet, you still need to **SPEND!!** Do you see the consistent pattern here? It is you **SPENDING & SPENDING & SPENDING**, etc., etc. The "Rule of Thumb" is that "it costs money to make money", **NOT WITH OUR NEW COPYRIGHTED AUTO MAGIC MARKETING SYSTEM!** Our system is the one & only exception to the "Rule of Thumb" you will ever find! You will never again spend money to generate leads! To have literature printed! To stuff envelopes! To spend your valuable time & money wastefully! **NEVER AGAIN!** First of all, you'll do no mailing whatsoever! This is a completely "Hands Off"

situation for you! Of course, it will be a lot of work & effort for us, but let's face it, this is what we do for a living & we are willing to work extra hard especially if we can help you at the same time! You already know why! **Secondly**, you'll buy no stamps. In other words, you'll never pay for postage again! **Third**, you'll have nothing printed. You will not have to handle or fold one piece of printed material. Are you promoting an opportunity that does not require printing, postage & mailings to promote their opportunity? We doubt it! **Fourth**, & best of all, you'll do no physical or phone work at all! **NONE!**

Quite simply, our new "Auto Magic Marketing System" is going to enable you to participate and **#1) Earn** your monthly commissions from Calagraphics, & **#2) Enable** you to pay for & participate in our incredibly inexpensive system & promote it all at the same time! **#3) Generate** Qualified Sales Leads for Your Programs!

ALL FOR NO ADDITIONAL COSTS OR EFFORT!

HERE'S THE DEAL & HOW WE DO IT:

We mail over 100,000 pieces of mail each month, but we want to do more - two to three times more up to 300,000 monthly! So we obviously **NEED** envelopes. But not just any envelopes! Our cooperative mailings using "The Magic Mailer Envelopes" are drastically increasing our business & our customers' responses! **BUSINESS IS BOOMING!** So we want to keep using them! **Here's where you come in.** Since we are already mailing out thousands of cooperative pieces everyday, we can work together. Instead of us buying hundreds of thousands of envelopes, which doesn't help you, all you have to do is buy a little & we'll do all the work from there. We'll do our regular cooperative mailings, include your flyer with your code number on it, and when someone joins, you'll be notified **daily** directly from Calagraphics. If anyone has questions, we will answer them for you. We'll pay for the phone calls, the follow ups, the leads, the postage, the labor, the mailings, etc. You simply make your one 250-envelope purchase when you want! That is it!

THIS PROBABLY SOUNDS TOO GOOD TO BE TRUE: But keep in mind that the **ONLY** reason we can make this offer to you is because we're already purchasing the envelopes & we **NEED** them for our daily cooperative mailings. It's not like we're just starting. We've been mailing for over 24 years. Why shouldn't you be able to take advantage of this incredible mailing capacity & possibly make lots of money with us without doing any work? **Why not?** With our new "Auto Magic Marketing System", we just released you from all the pressure & costs of promotion. With our new "Auto Magic" System, you are eliminating all your other current promotional expenses: **#1) No Postage!** **#2) No Printing!** **#3) No Mailing!** In fact, **NO WORK AT ALL!** You'll be automatically participating in promoting the Calagraphics "Magic Mailer" Envelopes Program with one simple & inexpensive 250 piece envelope when you want. **IT IS TRULY FANTASTIC!**

By the way, let's show you some **FANTASTIC** potential, conservative income examples of the "Magic Mailer" system real quickly... **OK?** We can't guarantee what we get, but we do guarantee to try very hard! Calagraphics has a very simple & very profitable pay structure. Calagraphics pays out **40% COMMISSION** on **ALL SALES!** The commissions range from \$20 to \$100 per SALE, PER CUSTOMER!!! If you get 10 customers, which could easily be one per month for 10 consecutive months, you would get 40% commission or \$200 to \$1,000 EACH MONTH! Just on 10! Of course, when they re-order, like yourself, you'll get 40% commission again and again over and over. Let's hang

on for the wild ride!! Since we are going to continue mailing for you as you order 250 envelopes every time, you can eventually have dozens - **hundreds of distributors** all ordering and paying you 40% commission each & every time! By the way, there is a reason Calagraphics has paid out over \$1 MILLION DOLLARS in commissions to their Distributors! Because what we do works and it can work for you too! Just give it a chance!! How's about you? "Are you holding on to your seat?" **We mail over 1.2 million pieces of mail and will do twice that this Year!! How many of them will be for YOU!!!**

is Direct Mail Dead?? That's Nonsense!! We've never been busier!! Just go to your local Post Office and you'll be in line waiting for everyone to get stamps, mail packages and send letters! But not you! We'll be doing all of that for YOU!! Which leads us to...

What About The Internet?? What about it?? We use it all the time!! But our item is an envelope and it must be mailed out!! Don't forget... It's still a product and it has to get into the hands of potential customers!!

P.S. If you want in on all of this "action," act quickly! The sooner we get your envelopes from Calagraphics, the faster we can be mailing for you to build your fortune!

IT'S "FIRST IN - FIRST OUT!"

P.P.S. PLEASE REMEMBER! These commissions are based on single purchases of envelopes. Many people order more - a lot more!! You will earn 40% commissions on multiple sales in quantity! Over & Over Again! For YEARS to come! Now that's exciting! Please join today!
