

**YOU NEED TO KNOW ABOUT EARTH'S SALVATION**

**AQUAHOL**  
**C<sup>5</sup>H<sup>5</sup>OH**

**TRUE GREEN**

*"Fuel Of The Future"*

Dwindling petroleum resources, escalating consumer costs, and mankind's need for abundant cheap, reliable power, have arrived at Destiny's door!

Global Warming — Fact or Fiction — will disappear with the use of Aquahol because it is non-polluting! Water-Steam emissions eliminate the carbon monoxide of fossil fuels!

Aquahol is made from renewable resources that essentially create oxygen and finally produce power grade fuel for as little as ten cents per gallon!

Imagine heating your building and driving your automobiles for only a dollar or two per day! Unbelievable? TRUE! (Trust me, the petroleum industry does not want you to read the 11-page report I'm offering. Every question is answered.

Home and business owners need this information to understand there is a superior option to fossil fuels. The cost is unbelievably (but true) cheaper, and you can make your own in your backyard for less than \$40.00 setup!

Our comprehensive 11-page report includes unlimited reprint, resell rights, explained in plain English with step-by-step know how so anyone can make Aquahol for as little as ten cents per gallon.

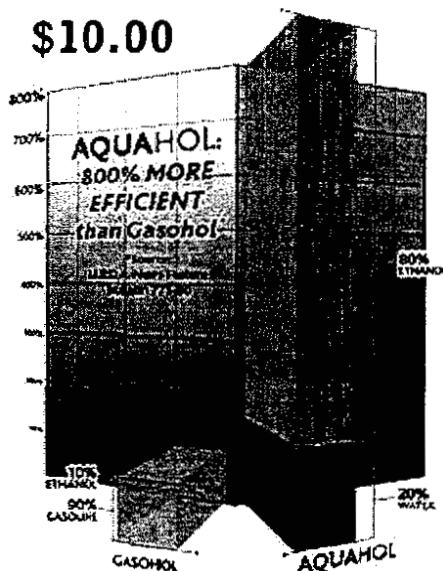

You will also receive copies of this circular for promotion. You can get paid for spreading the good news! WOW! And how!

Don't hesitate any longer! Take a giant leap away from oil slavery! Order this "MUST HAVE" information TODAY!

Send \$10.00 cash, money order or check (must clear) to:

**YES! I WANT TO LEARN ABOUT THE TRUE GREEN POWER FUEL...AQUAHOL!**

**ONLY  
\$10.00**

*I have enclosed proper fees for this exciting information! Please RUSH the 11-page report to this address:*
