I am of legal age to enter into contract and desire to enter into this personal agreement under the sovereign authority derived from the natural laws of God, and reinforced by Article 1, Sec 10 of the Constitution of the United States of America. I officially subscribe to this non-transferable Agreement to receive any and all benefits provided by A.L.F.E. Corporation, a private contributions network. I understand that the funds I have submitted for this purchase are not an investment, but payment for products and services. I understand that I will receive a package consisting of all private members' benefits, and will receive computer and personal services as long as I remain an active member in good standing. Furthermore, I'm purchasing this material for my own personal use and not for the sole purpose of receiving consideration from a marketing plan. I also understand and agree that no refunds will be made and that my commitment to this agreement is firm and unconditional. I agree to abide by all rules deemed necessary to maintain the integrity of individuals promoting this program, and protect the program from unjustified injury by the actions of others. I agree to maintain proper records and pay any and all legitimate taxes which may be required by law. I understand that A.L.F.E. Corporation will NOT act as a withholding agent for any taxing authority, but will simply track and distribute whatever is due me on a timely basis. I understand that it is my responsibility to build the downline network from the sales of private subscription material, NOT the responsibility of A.L.F.E. Corporation, or the up-line from me. I accept and agree there are no guarantees as to the amount of cash distributions made in the Extra Money Now Program. I agree that in case of any issue of complaint that I may have, I will not engage the services of any individual not specifically named in this agreement to act as a mediator, and that no person or agency will be allowed to become third party to this agreement. I have read, understand, and agree to the terms set forth in this agreement.
